Speaking Topics

Entrepreneurial A.D.H.D

The reason most of us are not yet successful isn't because of that new business or strategy we believe is the secret sauce. Daray will show your audience how to identify and correct the causes of entrepreneurial burnout.

The Top 5 Millennial Money Traps

We spend all year paying the government and banks. Discontented and unfulfilled, most of us settle for these money traps, the same ones our parents fell for. This ends now.

The Safe Professional (Everyone Else)

Risk is what you make it. The majority us sit on the fence our entire lives and believe that's "playing it safe". We fail to realize that we're in the game and we're losing. True investors zig, while everyone else zags.

Bio

Daray is a successful Real Estate Entrepreneur and Business Coach.

He mentors overwhelmed and unfulfilled employees in the professional world through the process of creating and building a lifestyle business through real estate investing so that they can escape the rat race and live a life of their design.
